

IIE Chapter #1 SEPTEMBER 2010 Newsletter

Dear Chapter # 1 Members:

MESSAGES

We welcome **Holly Mellinger**, **Jeremy Tancredi** and **Jeremy Greathouse**, new addition to our Columbus chapter.

Adam Faris (our new Student Outreach Director) is down to business. He organized a Schmooze with the student chapter in July. We had a tailgate party for the Columbus Crew game on July 24th. The weather was great and Adam brought lot of food and drinks. We had a great time networking and to top it off, Columbus Crew smothered Houston Dynamo – the score line read 3-0. Please check out the attached photos from the event.

We have the ALL OHIO IIE event scheduled on October 13th. Please join us for the event. We are partnering with OSU ISE Department to bring a free workshop in November, details will be in the next newsletter.

EVENTS

Wednesday, October 13, 2010

All OHIO IIE Event

All Ohio professional and university IIE chapters are invited. Come to network, share ideas, and see what Ohio IIE is all about.

Tuesday, October 19, 2010

Welding: From Ancient Times to Modern Day.

A CTS Event Presented by AWS Columbus Section

Participants will learn to perform fillet welds with arc welding processes including GMAW and SMAW. The evening will be divided into to groups of participants. The first group will conduct

welding activities while the second group eats dinner and listens to a presentation on the history of welding, process basics, and advances of modern equipment for real world applications. Halfway through the meeting, the two groups will switch places.

Speaker: Bryan Lyons, P.E., President HETEN Engineering

Venue

Welding Lab (Room 158), at the OSU Agricultural Engineering Building
590 Woody Hayes Dr., Columbus, OH 43210

Schedule

6:00 PM	Social
6:30 PM	Activities Begin (dinner provided)

Cost

Member or Guest:	\$20
Students:	\$10
Parking	\$3 (pay at self service kiosk in parking lot)

RSVP: For reservations, please contact John Lawmon, AWS Columbus Section Treasurer (614-749-2320 or rsvp@osu1.net) by Friday, October 15th. Attendance will be limited to the first 70 people to respond.

All reservations are final on 10/18 and payment will be required. Please be prepared to pay with cash or check at the door (checks payable to: AWS Columbus Section).

Please see the attached flyer for Speaker Bio and Attire.

OPPORTUNITIES

Process Engineer Position @ Bare Escentuals in Columbus, OH

Bare Escentuals has an immediate opening for a Process Engineer. This is an Industrial Engineering opportunity that will dive into many different duties, but it's primarily focused on process improvement.

Detailed job description is attached, and candidates can apply via the website (www.bareescentuals.com) or contact Jim McGannon, Human Resources Manager.
